

OSTEOPATH - TINE VAN DER AUWERA

Where are you from?

I'm from Belgium

How long have you been an osteopath?

Officially I'm an equine osteopath since 3 years, I started my own business 3 years ago, but I have +/- 7 years of experience in the treatment of horses, also in sports massage for horses, craniosacral therapy, myofascial chain taping and dry needling.

Where do you work?

Paardenpraktijk VDA - Equine Osteopathy VDA, in Belgium (my own company). I treat horses all over the world, but mostly in Belgium, The Netherlands, Germany, France, Spain... I'm active in all disciplines: endurance, jumping, dressage, western, racing...

What other equine related things do you do?

- horse riding, recreationally, since I was a child
- dissections on horses, for research and study
- bone specialist, for research and study, also preparation of skeleton bones
- teacher at several equine academies
- Belgian Horse Therapy Team

What is your background?

- I'm 43 years old. Since I was a child, I was always attracted to horses, like horse riding. I also have 5 own horses. I followed several educations, and so I turned my equine hobby into my profession.

Now, I'm also working together with equine clinics in Belgium and The Netherlands and I still follow education in Germany, to keep up to date.

- Several educations/diplomas:
 - Equine Osteopathy
 - Equine Sports Massage
 - CranioSacral Therapist
 - Dry Needling Therapist
 - Myofascial Chain Taping
