PREAMBLE

These Rules must be read in conjunction with the FEI Statutes, the FEI General Regulations (GRs), the FEI Jumping Rules (JRs), and all other relevant FEI rules and regulations. EEF SERIES

The EEF Series is a Nations Cup Series according to FEI GRs Article 102 and 105.5 managed by the EEF.

EEF Series Nations Cup competitions are reserved for qualification purposes only for teams from all NFs that are members of the EEF.

Athlete/Horse combinations from the Longines League of Nations™ (LLN) NFs that have competed in a Nations Cup competition at a CSIO 5* in the current calendar year are not allowed to compete in a Nations Cup competition at an EEF Series Event.

1. QUALIFICATION SYSTEM

EEF Series NFs are divided into four (4) Regions as follows for the purpose of qualifying ten (10) teams for each of the EEF Series Semi-Finals and the Final respectively, as follows:

Region South consists of the following NFs: ALB; BIH; BUL; CYP; GRE; ITA; MKD; MLT; ROU; SMR; SRB; TUR; UKR, CRO

Region Central consists of the following NFs: AUT; CZE; GER; HUN; LIE; NED; SLO; SUI; SVK

Region North consists of the following NFs: DEN; EST; FIN; ISL; ISR; LAT; LTU; NOR; POL; SWE

Region West consists of the following NFs: AND; BEL; ESP; FRA; GBR; IRL; LUX; MON; POR

1.1. EEF Series Regional Qualifiers (RQs)

Each Region holds two (2) Regional Qualifiers at CSIO3* level and the Teams qualify for the EEF Series Semi-Finals through the Nations Cup competitions at the RQs in their own Regions.

RQs take place between April and end of June of the current year.

To earn points, a team must participate in the Nations Cup competitions at both RQs in its Region. Teams earn points according to their classification in the respective RQs in their Region (non-Region teams not counting for points, irrespective of final placing), using the following point scale:

Placing Points

1st 100

2nd 90

3rd 80

4th 70

5 th	60
6 th	55
7 th	50
8 th	45
9 th	40
10 th	35
11 th and beyond	30

The points for each team are added together to establish the Region standings. In the event of equality of points, the highest ranked team will be the team with the most points at the respective RQ with highest * level or, in case of RQs with same * level, the team highest placed in the second RQ in the region.

1.1.1. Regional Qualifier not taking place

In the event that only one RQ takes place in a Region (instead of two), for whatever reason, the teams of the Region will qualify for the respective Semi-Final according to their classification in the RQ that has taken place.

In the event no RQ takes place in a Region, for whatever reason, the teams in the Region will qualify for the respective Semi-Final based on the Longines League of Nations™ Qualification Ranking No. 1 (30.09.2023).

Teams in the EEF Series may take part in CSIOs outside their own Region but may not earn points for their Region standings at these Events.

1.2. EEF Series Semi-Finals (SFs)

The Semi-Final is a CSIO3*, where the Nations Cup competition is reserved for the top ten (10) teams (five from each Region) qualified according to the respective Region standings above, as follows:

- Top 5 teams from Regions South & Central qualify for EEF Series Semi-Final 1
- Top 5 teams from Regions North & West qualify for EEF Series Semi-Final 2

The home team in a SF, if not qualified as above, has the right to participate in the Nations Cup competition of said SF as 11th team, without being eligible for qualification for the Final.

The top five (5) placed eligible teams in the Nations Cup competition at each Semi-Final, respectively, qualify for the EEF Series Final.

SFs take place in June or July of the current year and there must be at least one (1) free week between the last RQ in any Region and its respective SF, as above.

1.2.1. Non-Participation of a team from an EEF Series Semi-Final

Should a qualified Team for either of the Semi-Finals not participate at the respective Semi-Final, it will be replaced by the next best placed team from its own Region. Substitution may only go down one place in each Region. Should it not be possible to substitute a team with the next best placed team from the same Region, the vacant quota place will be filled from the next best placed Team, not already qualified, from the other Region in the same Semi-Final. Should it not be possible to substitute a team as per the above, up to two (2) quota places will be filled through the Nations Cup Ranking commencing with the first Nations Cup competition following the FEI Jumping Nations Cup™ Final of the previous year until two weeks prior to the respective Semi-Final of the current year, otherwise they will remain vacant.

1.2.2. Semi-Final not taking place

In the event that a SF does not take place, for whatever reason, the five (5) teams to be qualified from such SF for the EEF Series Final will be determined as follows:

From SF 1: the top 2 teams from Region South and the top 3 teams from Region Central, as per their classification under "EEF Series Regional Qualifiers (RQs)" above

From SF2: the top 2 teams from Region North and the top 3 teams from Region West, as per their classification under "EEF Series Regional Qualifiers (RQs)" above

1.3. EEF Series Final

The EEF Series Final is a CSIO4* reserved only for the ten (10) teams qualified from the two (2) SFs, as above, and the home team as the 11th team if not qualified but a) providing the home team has tried to qualify for the EEF Nations Cup Final and b) the home team, if not qualified as above, will not be eligible for promotion to the FEI Jumping Nations Cup Division 1.

The Final takes place from July until September of the current year, unless otherwise approved by EEF Board decision in accordance with relevant FEI Rules and Regulations, and there must be (a) at least one (1) free week between the Final and the last SF and (b) at least two (2) weeks between the Final and the Jumping Event of the Olympic Games or the World and EU CH for Seniors or the Longines League of Nations™ Final of the current year.

1.3.1. Non-Participation of a team from the EEF Series Final

Should any qualified Team(s) not participate at the EEF Series Final, it/they will be replaced by the next best placed team from its/their own Semi-Final. Substitution may only go down two places in each Semi-Final. Should it not be possible to substitute a withdrawn team with the next two best placed teams from the same Semi-Final, the vacant quota place(s) will be filled from the next best placed Team(s), not already qualified, from the other Semi-Final, again going down only two places. Should it not be possible to substitute a withdrawn team as per the above, the quota place(s) in the Final will remain vacant.

2. FORMAT, CLASSIFICATION AND PRIZE MONEY – EEF SERIES 2.1. Format and Participation in the First and Second Round

At all EEF Series Events, the Nations Cup Competition is run over two rounds, with identical courses. Both rounds are run according to Table A against the clock. In both rounds the time must be displayed at a minimum on a screen visible from the warm-up arena.

Four Athletes per team take part in the first round of the Nations Cup Competition. Unless teams are eliminated, disqualified, have retired or withdrawn in the first round, all teams take part in the second round with four Athletes each.

2.2. Classification

The classification is established according to the combined Penalties of each team's three best Athletes in each round. In case there is a tie on penalties for first place after both rounds there will be a jump-off with one Athlete per team. In case there is a tie for any other place following both rounds, the times of the best three Athletes in the second round will be used to decide the team classification.

2.3. Prize Money

The prize money for the teams in the Nations Cup competition at each EEF Series Event is distributed as follows: 1st 32%, 2nd 20%, 3rd 16%, 4th 11%, 5th 7%, 6th 5%, 7th 3%, 8th 2%, 9th 2%, 10th 2%.

In case of eleven (11) teams in a Regional Qualifier, a Semi-Final or Final (refer above to participation of home nation under "EEF Series Semi-Finals (SFs)" and "EEF Series Final"), the 10th and 11th placed teams receive each 1% of the competition prize money.

A team which is eliminated, disqualified, has retired or withdrawn (see JRs Art. 264.8.1 and 264.8.2) in the first round of a competition is not entitled to receive prize money or points for that competition.

EEF Series team competitions with less than ten (10) teams participating or entitled to receive prize money, subject to the previous paragraph, will have the remaining prize money divided equally among all teams placed.

Each CSIO which counts for EEF Series must offer the following amount of prize money in the Nations Cup competition:

- RQs CSIO3* €65'000 per competition;
- SFs CSIO3* €90'000 per competition;
- Final CSIO4* €200'000 per competition;

EEF Series OCs may offer additionally €50'000 as prize money to the Athlete(s) with the best performance in both rounds of the Nations Cup competition.

The above amounts of prize money may be increased, subject to FEI Approval, but the total amount of prize money offered at the Event may not exceed the maximum established for the star level of the Event.
